

# ON OUR TERMS

**STUDENTS, EDUCATORS, AND PARENTS TAKE BACK THE CONVERSATION ON SCHOOL SAFETY AND ACCOUNTABILITY**

## PHASE 1

### **Project Planning:**

Building the project team & planning our summer research institute

## PHASE 2

### **6-Day Research Institute:**

Learn more about research & RJ, and begin to design our study

## PHASE 3

### **Research Design & Prep:**

finalize research questions & focus group questions; training on facilitating, ethics, & data analysis

## PHASE 4

### **Focus Groups:**

Talk to students, teachers, parents about safety, accountability, & RJ

## PHASE 5

### **Making Sense of It:**

Analyze focus group responses to identify important trends & recommendations

## PHASE 6

### **Get our Findings Out There:**

Create products (reports? videos? websites?) for multiple audiences about what we learned, why it matters, & what action to take
